Total: 65 boats, 73 paddlers

Notes:

- 1) Please contact Joe Alia (aliathec@alphalink.com.au) or John Young (marathon@canoevic.org.au) if you believe there is a mistake in the results
- 2) Race points are awarded based on boat speed adjusted for age, gender, craft type and distance.
- 3) The fastest paddler based on adjusted boat speed on the day scores 100 race points, the slowest paddler scores 1 race point. Other paddlers are ranked in between.
- 4) Paddlers accrue race points for their own personal series total regardless of the division or class they race in.
- 5) Paddlers only earn race points for their club (and school) if they paddle in their correct division or higher (i.e. a Div 5 paddler needs to paddle in Div 5, 4, 3, 2 or 1 to earn club points) and finish.
- 6) Club points are awarded based on the race points of the highest scoring club member in each division or class (this is to avoid favouring larger clubs with more paddlers).
- 7) Clubs also accrue one participation point for each paddler from that club that finishes the race.
- 8) Likewise for school points.
