- 1) Please contact Joe Alia (aliatec@alphalink.com.au) or John Young (marathon@canoedic.org.au) if you believe there is a mistake in the results.
- 2) There may be errors due to problems with the race clock and difficulty reading the boat numbers (due to the position of the sun). As a result some boat numbers were not recorded as finishing.
- 3) If you believe your start or finish time has been incorrectly recorded please provide your GPS data if you have this or advise where you believe you finished relative to others.
- 4) Race points are awarded based on boat speed adjusted for age, gender, craft type and distance.
- 5) Each team's race time is determined by the starting time of the first boat(s) in the team and the finishing time of the last boat in the team.
- 6) The fastest team based on adjusted boat speed on the day scores 100 race points, the slowest team scores 1 race point. Other paddlers are ranked in between.
