**Notes:**

- 1) Please contact Joe Alia (aliatec@alphalink.com.au) or John Young (marathon@canoedic.org.au) if you believe there is a mistake in the results.
- 2) Race points are awarded based on boat speed adjusted for age, gender, craft type and distance.
- 3) The fastest paddler based on adjusted boat speed on the day scores 100 race points, the slowest paddler scores 1 race point. Other paddlers are ranked in between.
- 4) Paddlers accrue race points for their own personal series total regardless of the division or class they race in.
- 5) For the 2015 Winter Series paddlers may choose the distance they wish to paddle, regardless of their divisional ranking.
- 6) Hence club points are now awarded based on the race points of the six highest scoring club members (this is to avoid favouring larger clubs with more paddlers), regardless of division or class.
- 7) Clubs also accrue one participation point for each paddler from that club that finishes the race (no points for DNF or DSQ).
- 8) Likewise for school points.
